FDA Class II Medical Device¹

Shown in Sorrento Coffee

Experience unparalleled comfort with the Mega Motion MM-3975, our first Medical Grade Top Grain Leather chair approved for FDA Class II power reclining lift chairs. The Medical Grade Top Grain Leather covers the seat, back, and arms, while the back and sides feature a matching polyurethane fabric. Our innovative tilt function provides a zero gravity sensation, creating a feeling of weightlessness and serenity. The three-zone heating system soothes achy muscles, and the infinite position capability ensures you find the perfect resting position every time.

KEY FEATURES AND BENEFITS

- **Infinite position:** zero gravity, lay-flat, recline & lift – recline to your comfort zone, or use the lift function to aid in sitting or exiting your chair
- **The first Medical Grade Top Grain Leather** to pass stringent testing for use on medical products. The Medical Grade Top Grain Leather covers the seat, back, and arms, while the back and sides of the chair have a matching polyurethane fabric
- **The Tilt elevates you from the front, similar to a rocking chair.** This provides a zero gravity experience while distributing weight and pressure evenly along the body
- **Five-motor comfort system**
- **Power-tilt headrest and adjustable lumbar**
- **Three zone heat** – heat in lower back, seat and chaise pad ottoman areas – keeps your back and legs warm
- Toggle remote with soft buttons that attaches to the side of the chair via a magnetic side holder.
- **Pull-out armrests with cup holder and wireless charging dock**
- **Keep devices charged wirelessly or via convenient USB ports (USB A plus USB C)**
- Storage pockets on both sides
- Remote comes through either side pocket for a right or left-handed person.
- **Standard glide-extension footrest**
- **Lithium battery backup ensures your recliner is operational when the power goes out.**
- **Warranty: Two year on parts and service; limited lifetime on steel lift frame**
