

iNFI ELEVATO

MM-5640

INFINITE POSITION WITH 400-LB. WEIGHT CAPACITY,
ZERO GRAVITY, AND HEAT/MASSAGE FOR LOUNGERS UP TO 6'8"

Shown reclined with power headrest

Accommodates users
up to 6'8"

Magnetic side mounted remote
& USB charging ports

FDA Class II Medical Device¹

Shown in Domain Iron

An infinite position recliner packed with features, the MM-5640 delivers comfort and luxury. It boasts a 400-lb. weight capacity and accommodates taller loungers up to 6'8", but that's just the beginning. You can enjoy resting positions such as lay flat, zero-gravity, and even one in which your feet are elevated above your heart thanks to its advanced mechanism. Feel the warmth of three-zone heating, soothe your muscles with a sophisticated air bladder massage, and customize your comfort with power headrest functionality.

KEY FEATURES AND BENEFITS

- **Infinite Position:** Reach resting positions such as zero gravity, lay-flat, and one in which your feet are elevated about your heart.
- **Three zone heat** – heat in lower back, seat and chaise pad ottoman areas – keeps your back and legs warm
- **Air Bladder Massage** soothes achy muscles
- **Adjustable Comfort:** Power headrest to customize your comfort
- **Convenient USB ports (USB-A and USB- C)**
- **Toggle remote with soft buttons that attaches to either side of the chair via a magnetic side holder**
- Easy-to-reach side pockets on both sides – store your magazines, newspapers, or remote controls
- Standard glide-extension footrest
- Furniture grade hardwood/plywood construction
- Heavy duty steel lift mechanism
- **Lithium battery backup ensures your recliner is operational when the power goes out.**
- **Warranty: Two year on parts & service; limited lifetime on steel lift frame**

1. Mega Motion® Power Recliners are FDA Class II Medical Devices designed to aid individuals with mobility impairments.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice.

*The suggested user height guide recommendations are given for general reference on best fit. However, each person's comfort level and preferences when sitting in the chair will vary, and the user's feet/legs may extend over the foot rest.

All dimensions are calibrated to design specifications, but due to the nature of components and manufacturing tolerances may have a variance of +/- 1". Note: Specifications and product information subject to change without prior notice.
