## KEY FEATURES AND BENEFITS

- **Comfort Control:** Whisper Quiet Power Recline and Lift - recline to your own comfort zone, or use the lift function to aid in sitting or exiting your chair
- **Experience the perfect blend of comfort and safety with our ergonomically designed chair.** With a seat height of 17.5 inches from the floor and seat dimensions under 20 inches in both width and depth, it's tailored for those of petite stature. Now, you can comfortably rest your feet flat on the ground, ensuring a stable and secure seating experience.
- **Water repellent fabric.**
- USB port in remote – charge your tablet or phone from the comfort of your recliner
- Easy-to-reach side pockets on both sides – Store your magazines, newspapers or remote controls
- Chaise pad construction – head to toe comfort and support
- Furniture grade hardwood/plywood construction
- Heavy duty steel lift mechanism
- **Integrated emergency battery back up**
- **Warranty: Two years on parts and service; limited lifetime on steel lift frame**

1. Mega Motion® Power Recliners are FDA Class II Medical Devices designed to aid individuals with mobility impairments.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice.

\*The suggested user height guide recommendations are given for general reference on best fit. However, each person's comfort level and preferences when sitting in the chair will vary, and the user's feet/legs may extend over the foot rest.

All dimensions are calibrated to design specifications, but due to the nature of components and manufacturing tolerances may have a variance of +/- 1". Note: Specifications and product information subject to change without prior notice.
